→ **THINGS TO KEEP IN MIND**

- Make the game important to the girls. They will respond in kind.
- Have the girls arrive a minimum of 30 minutes before the game. Have them take warm-ups to prepare themselves for the game. If you make the preparation important the game will be even more important.
- Concentrate on teaching the fundamentals, particularly throwing and catching the ball. It's imperative that these two skills be learned. A girl can't progress in learning the other skills until they can throw properly and catch the ball. Hitting will come later when the coach pitches at mid-season.
- Keep up the level of enthusiasm. Cheer your opponent as well as your own team. Get the adrenalin flowing. Girls who leave with enthusiasm will return with enthusiasm.
- Positive reinforcement is the key. Have a lot of patience. Remember, they know absolutely nothing about the game. If they learn that it's fun from you, it'll be fun. Remember, the girls must have fun.
- Every girl needs to think that's she's important and that she belongs (so do we). Every girl needs a "win", good throw, good catch, good hit, etc.. Cheer her accomplishments and have her teammates do so as well.
- Be cognizant of the tone and volume of your voice. You don't want to scare some of the girls. Be aware of their reactions when you speak to them.
- Play little games with them. Challenge them to see if they can make 3 outs before the other team has batted all of their batters. When accomplished, challenge them to do it a second time.
- Remove the batter from first base if she is made out. Some girls will be upset and cry because they think they've failed or done wrong. Use some psychology here and explain that they had a good hit, it's just that the fielder made a very good play.
- Make it fun. If it's not fun they won't be back. Don't take things too seriously and remember they will feed off of your attitude. Be well organized, keep things moving.
- Make up your lineup and batting order before the game. You can always adjust if someone doesn't show up. Have the girl's sit in batting order so they are ready to go.
- Have numerous coaches to assist. This will keep the girls motivated and ready to go. One Hour practices are plenty enough time, as long as you have help. You can break down into numerous stations. If you are having a great practice you can go longer.
- Make sure your girl's hustle on and off the field between innings and at practice going out to their positions.

→ **INSTRUCTIONS**

- **Play all the games.** It's a very short schedule of only 10 OR 11 games.
- Cancel as few games as possible. Remember, once you've given the schedule to your parents they make their arrangements around the games. If you move too many games it's not fair to the parents.
- **Check with your coordinator** to make sure the **field is available** on your scheduled home dates. The other age levels have started and it's possible games have been moved on the field you are using.
- In the event of rain call the opposing coach a minimum of 1 ½ hours prior to scheduled game time in order to cancel the game. Reschedule the game as soon as possible.
- The schedule and directory will be posted on the league's website. The website is elvsoftball.org
- If you have any rule questions please email or call the K/1 Statistician.
- All contacts with opposing coaches are to be DIRECT VERBAL contacts. DO NOT make any game changes by email or voicemail. Doing so is a recipe for disaster. If you want to email in advance, make sure you get confirmation, if not call the coach and make sure you speak.
- **The Home team is to notify your statistician when the game has been played. Also, any issues and problems with games or other coaches.**
