Minors: Will try to find a home field if possible. Will select their own schedule, can play during the week or weekends at a variety of venues. Should play two games a week and can play a double header. No playoffs or umpires. Approximate 10-12 games.

Majors, Juniors and Seniors: Teams will be formed based on number of sign-ups. They will play two games each Sunday for six weeks or one game during the week and one on a weekend. Coaches will select their own schedules. Also 1 additional week for playoffs. All games will most likely be played at one location for each age level. Different venues will be used to alleviate some driving.

All divisions other than the Minors will play a competitive schedule with standings and playoffs. Umpires are used for all age levels other than Minors. Every girl will receive an ELV logo team shirt. There will be weeknight games, night games and double headers throughout the year. Also, if teams cannot field teams on Sundays and venues are not available, weekday games will be played.

Money will be refunded if there are not enough participants in a given age level - Fees are **NONREFUNDABLE** once teams have been selected.
