

Thank you to all ELV Patrons for visiting the Avona Softball Fields! The following map is laid out to make it easier to find everything easier.

1. Field #1
 2. Field #2
 3. Closest parking lot to the field: 23rd St Across the Street from Avona Elementary School
 4. Alternate parking: Turn down the alley past the first parking lot. The lot will be on the left side. The entrance will be nearest to the building.
 5. Alternate parking: You may park in the Public Works Parking lot located at the end of Firmstone & Iron St.
- You may park on Firmstone St. On the field complex side, but there is no parking on the other side of Firmstone where the houses are. If you park on that side of the street, your car will be towed.

NOT LABELED: Our snack stand & bathroom is located right behind the backstop at Field 1.
