Will not dictate spring

Possible Adjustments:

Coach pitch first half of season for 3/4 season

2020 Fall Ball:

- If we can't get teams, we can't have Fall Ball
- Move evaluations and draft later, so we don't lose kids
- Ask questions on registration about availability
- Possible pay refund if player plays full season
- Vote on eliminating travel players
- Or separate travel players per team
- If we don't have spring season, all can sign up for Fall Ball

Corona virus:

- Shut down for two weeks
- Wait until end of April to decide on spring season
- Use discretion when practicing

Numbers for spring look good, waivers will be submitted where needed.

Waivers need to be sent by email between org reps involved and Mike DeMasi.
