 - b. The batter will be given the option to continue the at-bat with the coach coming in to pitch if she is indirectly hit by a pitch – this is completely at the discretion of the batter.
- 8. One (1) warning per game will be given to each team for throwing the bat. Additional offenses will result in the batter being declared out and runners will be returned to their original positions.

Pitching

1. A pitcher may pitch a maximum of 3 innings per game, no more than 2 consecutively. There are no tournament pitching limits
2. A pitcher may re-enter to pitch once per game
3. One pitch in an inning shall be counted as an inning pitched
4. The pitcher may walk 4 batters in an inning before the coach comes in. A hit batter will count toward the 4 walks for the inning. If 4 balls are thrown to any subsequent batters, the coach will come in to finish the at bat. The strike count will remain and the coach will pitch to the batter until she puts the ball in play or receives a total of 3 strikes (called or swinging). The pitcher will return to pitch to the next batter.
5. A pitcher shall be removed from the circle when she hits 3 batters in an inning. Any pitched ball that hits the ground prior to striking the batter shall not be considered a hit batter for the purpose of removing the pitcher

7. PIAA pitching rules will be enforced

 - a. If the base runner leaves early, the umpire will issue a warning. There will be 3 warnings issued per team per game. After the third warning, the baserunner will be called out.

5. Pick off plays are not allowed
6. Collision Rule
 - a. A collision is defined as a violent coming together of two bodies

 - b. A deliberate collision shall result in that player being ejected from the game
7. Obstruction Rule
 - a. A fielder may not block the base unless she is in possession of the ball. A runner must slide or give herself up if the fielder is blocking the base while in possession of the ball. If the fielder is blocking the base while not in possession of the ball and any contact, incidental or otherwise occurs, an obstruction shall be declared, and the runner shall be awarded the base
 - b. Plays at the plate – in the event of a play at the plate, the catcher must be positioned in front of the plate when not in possession of the ball and must allow the runner complete access to the plate. If the throw takes the catcher into the path of the base runner and a collision or incidental contact occurs, the runner will be awarded the plate.
 - i. This does not apply to a force play at the plate. In this instance the catcher may place one foot on the plate, but must allow the runner access to the plate
 - c. Plays at 2nd and 3rd – the fielder may not stand with her foot on the base while awaiting a throw or making a tag. She must allow direct access to the base.
 - d. The fielder has the right on a batted ball, the runner on a thrown ball.
 - e. Possession is defined as the fielder holding the ball in her hands or glove. A thrown ball on the way to the fielder that has not yet been caught, is not possession
 - f. Sliding is strongly encouraged when the runner is in the act of attempting to achieve a base or when the fielder is in possession of the ball before she gets to the base
8. Double First Base
 - a. The defensive team may only retire the batter/runner using the white base when the throw is on or inside the baseline. If the throw is outside fair territory, the fielder may use the orange base
9. Courtesy Runners
